SERVICES OFFERED

FAMILY ENGAGEMENT

Every Monday, we bring families together for multigenerational conversations that inspire connection & understanding.

HEALING CIRCLES

We host healing circles specifically designed for Black individuals to collectively address personal & communal trauma.

ALTERNATIVE SCHOOL IN ATLANTA

Our alternative school reimagines education for Atlanta's youth, offering a transformative learning environment that prioritizes creativity, critical thinking & community engagement.

COMPASSION TRAINING

In partnership with Emory University, we provide a comprehensive compassion training program that blends mindfulness, neuroscience, and practical exercises.

TRAUMA RESPONSE

Our trauma response services provide families with immediate professional support to help them process and manage the intense emotional and psychological effects of violence.

BURIAL SERVICE SUPPORT

We offer support with funeral and burial services providing families with assistance in organizing memorials and covering associated costs. We also offer emotional support.

JUSTICE NAVIGATION SYSTEM

Our team of experts, including legal advocates, help them understand their rights, provide emotional support, and ensure their voices are heard within the justice system.

SOCIAL SERVICE NAVIGATION

Our program connects families with dedicated case workers who guide them through the maze of available resources.
